To The Readers Of The Clipper:

We have been running notices for a long time, trying to get some of our readers to come in and renew their subscriptions, paying up what is past due and getting their paper paid for in advance. The postal regulations require that all papers sent out be paid for. We have been violating this regulation by continuing to send out the paper to many of our subscribers after their time runs

We are writing this letter to notify each and every one of you that we cannot continue this practice, and must insist that you come in at once and get your subscription in good shape by paying all arrears and then extending your time ahead.

During the past few days we have had nearly one hundred new and renewal subscriptions, but we are carrying a large number who have promised to pay up if we would only let the paper continue. The time is now here for these to come in and pay up.

WITHIN THE NEXT 30 DAYS WE WILL BE FORCED TO DROP A NUMBER OF NAMES FROM OUR MAILING LIST unless delinquent subscribers heed this call. We have carried these past due accounts as long as we can.

IF YOU WANT THE PAPER TO KEEP COMING, COME IN NOW and PAY UP. IF YOU CAN'T COME, SEND US THE MONEY BY MAIL. DO THIS AT ONCE!
